

Gomorrah

80bpm

<p>1. Just a song of Gomorrah, I wonder what they did there <i>(Whooh....)</i> Must've been a bad thing to get shot down for.</p>	<p>2. Wonder how they blew it up <i>Or if they burned it down</i> <i>(Whooh....)</i> Get out, get out, Mr. Lot Don't you look around. Intro</p>
<p>3. Who gave you your orders <i>Someone from the sky</i> I heard a voice inside my head In the desert wind so dry. Intro</p>	<p>Bridge I heard a voice tellin' me to flee The very same voice I always believe Said a lot of trouble's comin', But it don't have to come to you I'm telling you so you can tell <i>The rest what you've been through.</i> Intro</p>
<p>4. Don't you turn around, no, <i>Don't look after you.</i> It's not your business how it's done, <i>You're lucky to get through.</i> Intro</p>	<p>5. You're a good upstanding man, A credit to the flock But if you don't face straight ahead <i>You could not stand the shock</i> Intro</p>
<p>Solo</p>	<p>6. Blew the city off the map, Left nothing there but fire The wife of Lot got turned to salt, <i>'Cause she looked behind her.</i> Intro <i>Because she looked behind her.</i> Intro <i>Because she looked behind her.</i> Intro <i>Because she looked behind her.</i> Intro</p>
